UNDER THE STARS | AUGUST 2025

This August, The Lindis invites you to slow down, look up and experience winter in a whole new light. As daylight fades, the Ahuriri Valley reveals a celestial secret that feels otherworldly.

Under the Stars is a month-long celebration of winter in the South Island, under some of the clearest, darkest skies in the world. Throughout August, each stay includes a series of complimentary experiences inspired by the night sky – from dimly lit, Dinner in the Dark (a journey for the senses) and guided stargazing, to fireside mulled wine and hot tub soaks beneath the Milky Way. Be mesmerised by what many have never seen before.

AVAILABLE EXCLUSIVELY AUGUST 2025.
